I certify, based on information and belief formed after reasonable inquiry, the statements and information in this notification are true, accurate, and complete.

**Print Name:** \_\_\_\_\_

**Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**NOTE:** A source must first obtain equipment coverage under the General Order of Approval for Portable Rock Crushers or a Notice of Construction Air Quality Permit, before using this form. Notifications must be received by Ecology at least **10 calendar days** before the start of rock crushing operations. Notifying after starting operations will subject the operator to potential enforcement actions, which may result in a civil penalty.

If you need this publication in another format, please call Tami Dahlgren at (360) 407-6800. Persons with hearing loss can call 711 for Washington Relay Service. Persons with a speech disability can call 877-833-6341.
