

Ocean Acidification Blue Ribbon Panel

Final Agenda

June 20, 2012 | 9:00 am – 4:00 pm

University of Washington Center for Urban Horticulture – NHS Hall

3501 NE 41st Street, Seattle

Public access to the meeting is available via webinar. Registration is required. To register, go to:

<https://wadismetings.webex.com/wadismetings/j.php?ED=196305482&RG=1&UID=0&RT=MIM0>

Once the host approves your request, you will receive a confirmation email with instructions for joining the meeting.

9:00 – 9:10	Welcome and Expectations for the Day <i>Panel co-chairs, Jay Manning and Bill Ruckelshaus, and Lara Whitely Binder, UW Climate Impacts Group (CIG)</i>
9:10-9:30	Updates <i>Various speakers; facilitated by Lara Whitely Binder, CIG</i> This brief session will include updates on the: status of an August 8 meeting, additional OA analyses by Panel scientists, white papers, and communications strategy.
9:30-10:30	<u><i>Presentation and Discussion</i></u> Initial Recommendations for Research and Monitoring <i>Jan Newton, UW Applied Physics Laboratory and Terrie Klinger, UW School of Marine and Environmental Affairs</i> This session will begin with a presentation summarizing initial research and monitoring recommendations collected to date. A facilitated discussion on the initial research and monitoring recommendations will follow and continue after the break. The facilitated discussion will focus on: 1) addressing Panel member questions about the recommendations; 2) identifying and discussing any gaps; and 3) identifying any additional recommendations that could be considered.
10:30-10:45	<i>Break</i>
10:45-11:30	Research and Monitoring Recommendations Discussion (cont'd) This session will provide additional time for facilitated discussion on the initial research and monitoring recommendations.
11:30-12:00	<i>Lunch (provided for Panel members and invited speakers)</i>
12:00-1:30	<u><i>Presentation and Discussion (working lunch)</i></u> Initial Recommendations for Local Source Reduction <i>Hedia Adelsman, Dept. of Ecology</i>

	<p>This session will begin with a presentation summarizing initial recommendations for reducing important local sources of ocean acidification. A facilitated discussion on the initial source reduction recommendations will follow. The facilitated discussion will focus on: 1) addressing Panel member questions about the recommendations; 2) identifying and discussing any gaps; and 3) identifying any additional recommendations that could be considered.</p>
1:30-1:45	<i>Break</i>
1:45-3:00	<p><u><i>Presentations and Discussion</i></u> Initial Recommendations for Managing and Adapting to the Impacts of Ocean Acidification <i>Lara Whitely Binder, CIG</i></p> <p>This session will begin with a presentation summarizing recommendations collected to date for managing and adapting to the impacts of ocean acidification. A facilitated discussion on the initial recommendations will follow. The facilitated discussion will focus on: 1) addressing Panel member questions about the recommendations; 2) identifying and discussing any gaps; and 3) identifying any additional recommendations that could be considered.</p>
3:00-3:35	<p><u><i>Presentation and Discussion</i></u> Cross-Cutting Initial Recommendations <i>Lara Whitely Binder, CIG</i></p> <p>This session will provide opportunity to review and discuss cross-cutting recommendations, such as recommendations related to outreach and education and communications.</p>
3:35-3:45	<p>Next Steps and Meeting Close <i>Lara Whitely Binder, UW CIG and Panel Co-chairs</i></p> <p>This session will include updates on next steps for the Panel and closing comments from the co-chairs.</p>
3:45-4:00	<p>Public Comment Period <i>Facilitated by Lara Whitely Binder, UW CIG</i></p>

All presentations and an audio file of the meeting will be posted at:
